

William H. McGannon Foundation
RIMS Canada Conference
Student Involvement Program for Canadian Students

The Foundation is pleased to introduce for the first time to aspiring students that are enrolled in a Risk and Insurance major study program or wish to learn more about this field a unique opportunity. Where a student is enrolled at either a Canadian University or Community College with a major in finance, management, engineering safety and loss control acturiarial science, advanced statistics and accounting, to attend the Annual RIMS Canada Conference.

This year the Conference will be held in Edmonton, Alberta from September 26th to the 29th, 2010. If awarded, the Foundation will provide registration fees, hotel expenses, reasonable transportation to and from the conference, and a small honorarium to cover reasonable out of pocket expenses incurred during the Conference.

Application and all supporting materials must be received in a single mailing to the Foundation no later than August 15th, 2010. The Foundation will select students primarily from those universities and community colleges in the geographical area where the Conference is to be held. The successful students will be notified by August 31st, 2010.

What are the Foundation Main Aims:

- To raise financial resources for the advancement of risk management.
- To deliver awards and grants to students and institutions.
- To encourage students to continue studying and learning opportunities in the fields of Risk Management and Insurance.

What the successful student may expect:

- An introduction to the Risk Management discipline.
- To learn firsthand how the Risk Management & Insurance Society (“RIMS”) works across Canada and the United States.
- Unique practical opportunities to learn from seasoned professionals just what the risk management process is all about as it pertains to a wide spectrum of businesses and non-profits.
- Access to a coach and mentor through out the conference in order to maximize the learning opportunities.

How the Mentor/ Coach will help you:

- Will be available to assist in all your reasonable requests for assistance and answer your questions about the discipline and profession
- May accompany you to the sessions that you pick out from the Conference Program.
- Make certain your costs that we have agreed to pay are covered.

- Provide opportunities for networking within the industry and introduce you to many professionals in the risk management and related support fields.

What the Foundation Expects from you:

- To act appropriately in all social and learning sessions, and to represent your school in a professional manner.
- To share what you have learned with your fellow students by making a special presentation which will earn marks towards one of your courses.
- To attend all the general and seminar sessions over the two and a half days. (No excuses!)
- If things are not going right or expectations are not being met, you will immediately advise your mentor/ coach in order that both of you can find a solution.

Student Eligibility:

- Nominated students must be enrolled as full time students with sufficient credit hours to be classified as a senior or in your final year at a Community College or a graduate student. The nominated student's major must be in finance, management, or accounting, actuarial science, statistics, engineering with related courses of risk control or safety, or other related fields of study.
- An institution may nominate up to three students.
- Students that have attended a past conference may be eligible for selection to the current conference.
- Applications must be complete in every respect, and be post marked or courier dated August 15th 2010 or earlier and sent to the Foundation

Important Information:

- Incomplete applications will not be considered.
- Completed applications and all supporting materials are to be in the same envelope and mailed to:
